Department: \_\_\_\_\_ Years at Baylor: \_\_\_\_\_

Title: \_\_\_\_\_ Department Chair: \_\_\_\_\_

Proposed Program Name \_\_\_\_\_ Term: \_\_\_\_\_

Proposed Location: \_\_\_\_\_

**Describe your experience leading students abroad:**

If you have not led a study abroad program or international field trip, please describe your approach to engaging students in your teaching/research role, both in and outside of the classroom.

**Describe your personal experience with the proposed program location:**

**Please list all vendors (vendors may include university-approved travel providers, study abroad specialists, universities, etc.) you intend to work with to facilitate the logistics of the program:**

Partnering with approved and recommended vendors is *strongly preferred*. If needed, contact Study Abroad to discuss vendor options.

**Rationale for program**

Provide a *robust* justification for why this program is needed at Baylor University. Be sure to address (1) the gap in existing options for study abroad, (2) how the proposed location uniquely relates to the program (3), how this program fits within your department, college, and/or the university's strategic plan, and (4) any distinct features of the program. Reference existing study abroad options, available at <https://www.bearsabroad.baylor.edu>.

**Academic need and recruitment**

Provide a vision for the academic framework of the program. Be sure to address (1) specific majors for which the proposed courses meet a degree requirement, (2) the current number of students in the targeted majors, (3) prerequisites that would need to be met to participate in the program, and (4) how you have evaluated the demand for this program (e.g. student survey).

**Please indicate whether your department chair is aware of this proposal and supportive of it moving forward:**

**Yes**
